PK-CS212S

2000 WATT HORN LOADED SUBWOOFER

The CS212 folded horn subwoofer provides extremely high levels of tight, punchy bass to the lowest octave of human hearing. Its balanced horn design allows it to be used singly or in multiples. The horns of multiple enclosures couple acoustically to create a single, larger horn that increases output and provides directivity to very low frequencies. The CS212 is designed to be easily transportable with integral handles and castors. Extremely increased efficiency allows a single CS212 to easily surpass the output of two (2) standard dual 18" subwoofers below 60hz.

SPECIFICATIONS

System Power Handling (Continuous / Peak)	2000 / 3600 Watts
Frequency Responss (+/- 3db)	28 - 120 Hz
Frequency Response (-10 db)	24 hz
Sensitivity 1W/1m	111db
Max SPL / 1m (Calc) Full Space	145db
Nominal Impedance	4 ohms
Minimum Impedance	3 ohms
Recommended Crossover (Midbass / HF)	32 / 88 Hz 24 db/oct
Input Connections	Speakon NL4
Weight New	101 kg (222 lbs)
Dimensions HxWxD	45" x 22.5" x 45"
